PROFESSIONAL SUMMARY

I'm an English teacher turned web developer. Continuous learning and growth are very important to me, so I decided to make a change and channel my passion for learning, syntax, problem-solving, organization, and details into the tech industry.

SKILLS

Front-End: HTML, CSS3, Flexbox, Sass, Bootstrap, JavaScript, React
Back-End: C#, .NET Core, ASP.NET Core, REST API, SQL, PostgreSQL, Entity Framework Core

Version Control and Collaboration: Git, GitHub, Slack

EDUCATION

Web Development Program | Full-Stack Development   2019
Suncoast Developers Guild, St. Petersburg, FL

Master of Arts | Linguistics: Teaching English As A Second Language   2018
University of South Florida, Tampa, FL

Bachelor of Arts | French & International Studies   2013
University of South Florida, Tampa, FL

PROJECTS

Recipe Search
- Written in JavaScript, using the React library
- A responsive web application that allows users to interact with the MealDb API and browse recipes belonging to different categories
- **Source Code:** https://github.com/jessicaevans17/recipe-search

Color Picker
- Built with React using hooks and functional components
- A simple web application that randomly selects an hsl color value when the page is loaded and allows the user to adjust the hue, saturation, and lightness of the color. The application also includes a button that will randomly select a new color
- **Source Code:** https://github.com/jessicaevans17/color-picker

WORK HISTORY

ESL INSTRUCTOR
06/2018 to 06/2019

ELS Educational Services | Chicago, IL
